SKILLS

- **Languages:** Java, C/C++, Python, JavaScript
 - **Technologies & Tools:** ReactJS, MERN Stack, Next.js
 - **Soft Skills:** Communications Skills, Presentation Skills
-

EDUCATION

Saifee Golden Jubilee English Public School (2020-21)
ISC (Class XII)

Netaji Subhash Engineering College , Kolkata (2022-26)
B. Tech (Information Technology) [3rd year] CGPA : 7 [july 2024]

Relevant Coursework: Object Oriented Programming, Discrete Maths, Data Structures and Algorithms, Operating Systems, software engineering

PROJECTS

Ecommerce Website [\[Link\]](#) [\[Github\]](#)

I've built a responsive e-commerce website using React.js and Tailwind CSS. The project highlights my use of Context API for state management and React hooks for dynamic functionality. It includes key e-commerce features such as a shopping cart, product listings, and user interactions, all within a clean, responsive design optimized for mobile, tablet, and desktop.

- Managed global state using **Context API**.
- Used React hooks like **useState**, **useEffect**, and **useContext**.
- Integrated e-commerce features like a shopping cart and product listings.
- Built a responsive design optimized for various devices.

Technologies used: React.js, Tailwind CSS.

News Application [\[Github\]](#)

this project is a fully functional responsive news application built using React.js, designed to fetch and display real-time news from an external API. The application includes a robust search feature, allowing users to quickly find relevant news articles based on their search queries.

- It includes Real-Time News Fetching: Retrieves up-to-date news from a third-party API across various categories.
 - Dynamic Search: Integrated search bar filters articles in real-time based on user input.
-

ACADEMIC AND EXTRACURRICULAR ACHIEVEMENT

- I served as a Public Relations member for Lensified, the official photography club of Netaji Subhash Engineering College. I was responsible for coordinating communication with over 50 photographers interested in participating in a photography exhibition organized by Lensified.
 - Was vice captain for school cricket team
